Workshop on
Language and Identity

- **How are identities constructed, communicated, and interpreted through language?**
- **Which linguistic methods can be used to detect identity components in language?**
- **Which aspects of language variation bear identity-related meanings?**

Join us in exploring these questions at our workshop, organized under the project *Clausal Complements between Language Structure and Identity: Documenting, Visualizing, and Theorizing Variation in Shtokavian (Non-)Finite Embedded Clauses (ClaCoLaSI)*, funded by the Science Fund of the Republic of Serbia (Grant 1589).
