Documents required to be submitted

○ The KSI must convert each application document into PDF format **and send a compressed (ZIP) file per applicant via email(janghak@ksif.or.kr) by the deadline(2023/8/25 18:00(KST)).**

- **Degree program:** After the KSIF's screening, the admission application must be submitted to the respective university.

- **Language training:** Applicants who are accepted after passing the KSIF's qualification screening and their university's evaluation must submit original copies of all required documents.

Caution: If the applicant is not accepted due to failure to include one or more required documents, responsibility lies with the applicant.

□ Inquiry and document submission

○ **Inquiry:** Educational and Cultural Affairs Team, KSIF (+82-2-3276-0768, soojo@ksif.or.kr)

○ **Document submission:** KSIF Scholarship Department (janghak@ksif.or.kr)

○ **Inquiries:** see application guidelines for desired university

□ Caution

① You are responsible for all expenses in Korea not covered by the scholarship offered by your school.

② Your name on the application forms should be identical to that on your passport.

③ The application forms and supporting documents should be prepared using A4-sized paper.

④ You are not allowed to apply for scholarships directly. Instead, you must submit your completed applications and supporting documents to your KSI, and the KSI will then submit the documents to the KSIF.

⑤ Your KSI graduation certificate should be issued by the KSI you are attending.

⑥ Before applying for scholarships, check the documents required for admission and eligibility in the guidelines for applicants of each university.

⑦ Students who provide false information and who are unable to have a visa issued lawfully for entry to Korea will be disqualified, even after being chosen as scholarship recipients.

⑧ In the case where a potential scholarship recipient is disqualified, the scholarship will be awarded to a student who has been placed on the waiting list according to total scores.

⑨ Submitted documents are not returned and will be handled in accordance with the Personal Information Protection Act.

⑩ If, for a particular reason (e.g. withdrawal, transfer to another university), the accepted student must relinquish the scholarship, all provided funds must be returned within one month.
